

LabAssignment-3

Login Page:- This page has First name, Last name, Mobile Number and Address fields. Address will automatically get populated as the screen loads. On clicking the “Take Photo” the camera will be opened and user can take a photo. On clicking Sign in the user will be pointing to the map that shows his location.

Maps Page:- This will show the user location with the photo he has taken before login.

The screenshot shows a mobile application interface for 'LabAssignment3'. At the top, there is a blue header bar with the app name and a menu icon. Below the header, there are two buttons for social login: 'Google+' and 'Facebook'. The main form area contains four input fields: 'Last Name' (with a red underline), 'First Name', 'Phone Number', and 'Address' (pre-filled with '5446 Harris' and 'United States'). To the right of the 'First Name' field is a 'Take Photo' button. Below the address field is a 'Sign Up' button. At the bottom right, there is a red circular button with a white envelope icon. The bottom of the screen shows a black navigation bar with three icons: a back arrow, a home icon, and a recent apps icon. The status bar at the very top shows a location pin, Wi-Fi, cellular signal, battery, and the time 20:45.
